Objective

To use the knowledge acquired through my past professional experiences to find and secure a position as a web developer.

Education

Grand Valley State University, Allendale, MI 2006-Present

- Pursuing a degree in Computer Science

Hudsonville High School, Hudsonville, MI 2002-2006

- Graduating GPA: 3.04

Technical Experience

- **Software** Adobe Creative Suite 2/3/4 (Flash, Dreamweaver), MS Office Suite (Word, Excel, PowerPoint), Coda, CyberDuck, CoreFTP
- **Languages** PHP, ColdFusion, HTML, CSS, JavaScript, Ajax (MooTools), bash, Java, C++
- **Database** MySQL, Oracle RDB
- **Operating Systems** MS Windows 9X/NT/2000/XP/Vista, Ubuntu, Mac OS X (10.3 – 10.6)

Recent Projects

- **FlorentineInGrandville.com** A website for a local restaurant. Compiled a simple CMS using FCKeditor as an admin module.
 - **Languages used** PHP, MySQL, JavaScript
- **ExpectMoore.com** Website for a local realtor dealing in custom condominiums and accessible housing for the elderly and handicapped. Built a custom search for house listings in the Grand Rapids area using Ajax. Developed a backend admin area with a CMS for editing content site-wide using FCKeditor.
 - **Languages used** PHP, MySQL, Ajax (MooTools)
